KAYBOLA

It's Time to Get Lost in the Journey

Islandman's second album "KAYBOLA" takes its place on digital platforms on 31st January.

There are lands to discover, people to meet, and stories to be written between the voices. It is worth getting lost for the moments that have not been experienced yet. Islandman, the project of Tolga Böyük with Eralp Güven and Erdem Başer, who join him in the caravan for dreams, for new discoveries. The journey continues between cultures and communities with his new album “KAYBOLA".

"KAYBOLA”, was released in August with the label of Music For Dreams, based in Copenhagen, with its double LP & CD format, has now taken its place in all digital platforms with 10 new songs. Ethno-cultural voices extending from the Balkans to Japan, from Tuva to Anatolia, with minimal and melodic electronic infrastructures, emerged as dance music of a tribe that nobody knows.

Islandman are heading out on the road again touring the album in Europe, which will start in London at the famous Jazz Cafe on March 13 and continues at Club GRETCHEN (Berlin) on March 16, Das Werk (Vienna) on March 18, and Kaserne Basel on March 20.
