ABOUT THE ARTIST

Born in Araraquara, in the highlands of central São Paulo state, the singer and songwriter Liniker Barros has been dazzled by arts since she was a child. While growing up, she used to see her mother and uncle perform in *samba-rock rodas* (musical gatherings in a circle). These experiences set the seed that would thrive later on. Liniker went to Drama School at *Escola Livre de Teatro* in Santo André, a place where she was able to unveil many of her artistic layers. In 2015, she became a well-known artist both in national and international levels thanks to the success of her online EP *Cru*, released under the nickname *Liniker and the Caramelows*. Since then, she started to go on tours around the country and across the world, releasing the albums *Remonta* in 2016 and *Goela Abaixo* in 2019 – nominated for a Latin Grammy. She's currently investing in a solo musical career and acting projects. In 2021 she played the lead role, Cassandra, in the series *Manhãs de Setembro* (September Mornings), by Prime Video. It was such a performance that she was even awarded as a “Game Changer” by Glamour Magazine’s *Geração Glamour Awards*. The second season of the show has been renewed and is already available for streaming. In 2021, the artist also released her first solo album, *Indigo Borboleta Anil*, featuring Milton Nascimento, Orquestra Jazz Sinfônica, Letieres Leite and Orkestra Rumpilezz, among others. The album received three nominations for the 2022 Latin Grammy and made Liniker the most nominated Brazilian artist of that year. Moreover, amidst her new album tour, she delighted the public with a thrilling performance on the Sunset Stage of the latest edition of Rock in Rio, held september 2022.

INDIGO BORBOLETA ANIL

Liniker's first lyrics came from old letters she wrote but never sent. At present, going ahead with her first solo album, titled *Indigo Borboleta Anil*, the singer and songwriter shares her most recent experiences. Not that she hasn't looked into her past in this new album, after all, the artist needed to connect with her ancestry to fully put herself throughout the 11 tracks that make up this solo debut, co-produced by Liniker alongside Júlio Fejuca and Gustavo Ruiz. Together, Milton Nascimento, Orquestra Jazz Sinfônica, Letieres Leite and Orkestra Rumpilezz seal a tight collaboration to put up an album that portrays Liniker in her most recent and deepest ways. Multilayered, full of nuances, textures and made to dance, *Indigo Borboleta Anil* was released in September 2021 to streaming apps by Altafonte Brasil.
