

## TOOTARD BIO 2024

TootArd, a genre-fluid duo comprising visionary brothers Hasan and Rami Nakhleh, is celebrated for their boundless creativity, consistently reshaping their musical landscape with each new release. Their artistry is a fusion of global pop hooks and quarter-tone melodic lines, crafting a distinctive blend of disco and dance music that draws inspiration from the rich musical traditions of SWANA (South-West Asia, North Africa) and beyond.

TootArd effortlessly melds retro funk elements with a contemporary, high-sheen sonic palette, resulting in a captivating and boundary-pushing musical journey. Their music transcends geographical borders, captivating audiences worldwide and solidifying their status as a dynamic force in the global music scene.

**Important note for promoters:** When specifying the bands' origin with a country code, please utilize "international" or its abbreviations: **Int, Intl, Int'l**. This stands as the band's exclusive description; refrain from using any other identifier.
